Room 1 News

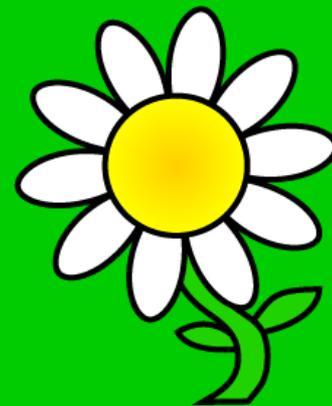

This month we learned so much and experimented with several sensory items. We played with cold and warm temperature water with toothpaste. While making ducks using our feet and paint, we sang to "Five Little Ducks". Room 1 explored floating fish in a bucket which they enjoyed very much! We had so much fun in April, but ready to play in May!

**Ms. Darlene, Ms.
Briana, & Ms. Mandy**

Room 2 News

Our little friends enjoyed painting with a feather duster, playing with floating fish, sock puppets, and glitter bottles. We also did footprint duck art for our sensory project. It had warm and cool toothpaste in the bags, making it interesting for our friends. We learned so much and eager to crawl into the month of May!

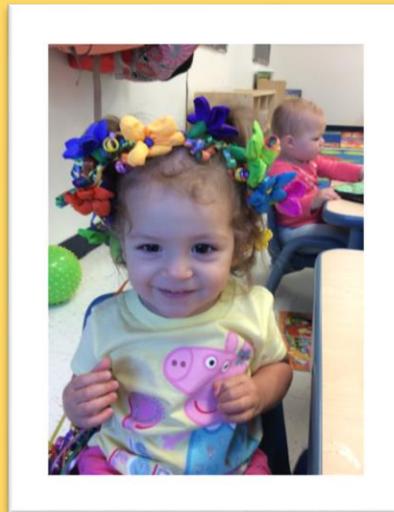

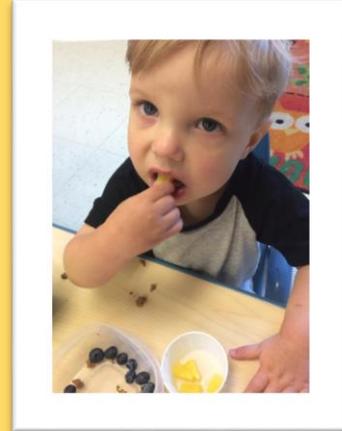

**Ms. Yvette, Ms.
Kristi, & Ms. Bri**

Room 3 News

In April, we did bubble wrap painting. We felt the difference between cold and warm toothpaste. Our little friends painted with a feather dusters, made clouds out of cotton balls, and rain played with salt shakers. This month we celebrated Easter by painting eggs, made a handprint chick, and participated in the annual egg hunt. For Fiesta, we painted sombreros and had tons of fun in the hat parade! Room 3 is eager to learn more in May!

Room 5 News

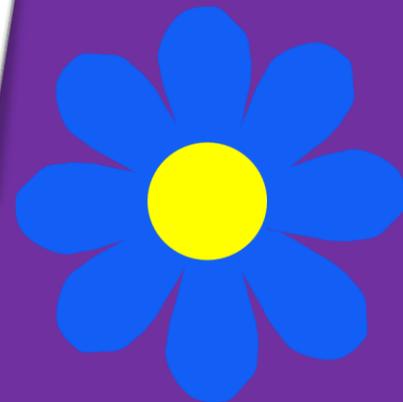

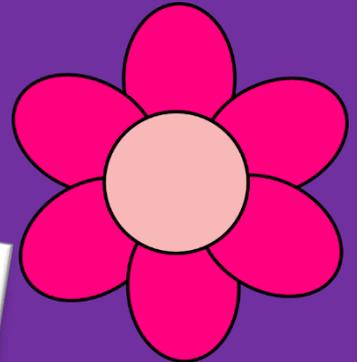

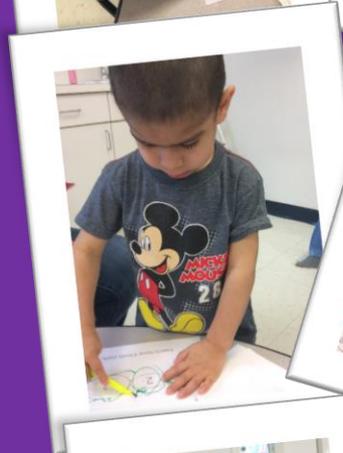

Room 5 welcomed spring with open arms! As the weather started to warm up, we noticed bugs begin to come out. In April, room 5 studied bugs and built bugs such as dragonflies and fireflies! We also pretended to be a bug to better understand how they live. The class had so much fun pretending to flutter like a butterfly and crawl like lady bugs! Room 5 had up close and personal look at the life cycle of a butterfly and ladybugs by caring for them in their classroom. We soaked up a lot of knowledge, and ready to hop into may!

**Mrs. Theresa,
Ms. Amanda, &
Ms. Erica**

Room 6 News

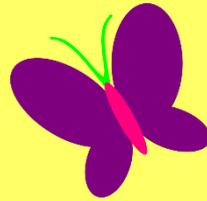

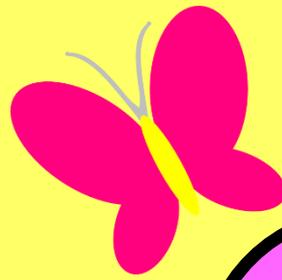

In the month of April Room 6 learned all about the different insects, and had a cool experience watching the caterpillars and lady bugs grow from the eggs to adults! We also went in depth about life cycles of insects. Our little friends also enjoyed our egg hunt and Fiesta Hat parade. Room 6 is cannot wait until next month to see what is in store for us!

**Mrs. Sarahi &
Ms. Hannah**

Room 7 News

During April the class had a blast learning about life cycles, insects, and frogs. We got to witness the life cycle of some ladybugs, plants, and butterflies. The class got truly excited when the caterpillars turned into their chrysalis stage and even more when the pupa hatched showing the beautiful butterflies. They loved seeing them fly when we released them into the sky. One of our friends brought her pet tadpole to let us observe it, and the class was just thrilled! We celebrated 5 birthdays, and Easter with our annual egg hunt! Thank you to all the parents that donated eggs to make this event happen! Next month is going to be very exciting, we will be celebrating our 10th year Anniversary here at Children's Lighthouse! Room 7 is ready to explore in the month of May!

Ms. Tasha, Ms.
Alyssa, & Ms. Lauren

Room 8 News

In the month of April we discussed about insects, frogs, toads, and different life cycles. We ate honeycombs to help us understand that it's in the shape of a hexagon and that it looks like the beehives.

Room 8 had the opportunity to observe a caterpillar transitioned from its cocoon to a butterfly, the class really enjoyed that! We said goodbye to our good friends Ray and Savannah, they will be missed! April has come to an end, and we are anxious to finish the school year in the month of May!

**Mrs. Adriana &
Ms. Brianna**

Room 9 News

The month of April was full of excitement. We had a blast learning about insects, and exploring for more outside to observe. Playing with our toy insects at the science center was so much fun. Doing arts and crafts like the life cycle of the butterfly was fun as well. The Easter egg hunt was so exciting, we filled our baskets with lots of Easter eggs! Room 9 is eager to hop into the month of May to soak up more knowledge!

I'm Graduating

I'm a little graduate,
Aren't you proud of me!

I know my numbers,
And my ABC's!

I've made new friends,
And had fun too!

& Ms. Gizella

APK News

April has introduced many fresh subjects for the schoolers. They have had an awesome time learning about USA, memorizing states and their capitols to presidents from the past to present. Since we live in Texas, Room 10 got to learn about the wonders of the "Wild, Wild, West!". Finally, the schoolers got to learn about many different kinds of careers and what it takes to pursue them! Room 10 is eager to finish the school year off strong in the month of May!
