

## Dear Parent/Guardian,

Welcome to Children's Lighthouse of Harvest Green and thank you for choosing our school! Please take a moment to look over all the information provided to you in this enrollment packet.

We understand that there are a lot of forms to fill out and this can be time consuming. However, you must have every form in this packet completed and turned into a member of our management team on or by your first day.

The forms in this packet include the following (sign all areas in the enrollment packet):

#### **Indoor and Outdoor Physical Activity:**

Our School takes a proactive approach to helping children stay physically active. In each classroom, there are activity areas set up to encourage physical activity. Physical activity occurs in each classroom during structured and unstructured time. We also promote large motor development outdoors. We spend time outside each morning and each afternoon, as the weather permits. While outdoors, children have ample opportunity to do moderate to vigorous activities such as running, climbing, dancing, skipping, jumping, to the extent of their abilities. They are encouraged to participate in group games that are physically active and that help develop their gross motor development and social skills.

Our playground environment sparks the children's imagination and serves as an integral part of physical development. Physical activity and exercise are encouraged to teach a healthy lifestyle. The equipment on the playground is safe and is inspected regularly by our teachers and School Director to help ensure it remains that way. Our separate play areas keep similarly aged children together, which helps ensure each child's safety.

Each day our School offers all children the ability to participate in: Two occasions of active play outdoors, as the weather permits.

Two or more structured or teacher-led activities or games that promote movement over the course of the day. Continuous opportunities to develop and practice age-appropriate gross motor and movement skills. Infants birth through 12 months will be given opportunities for outdoor play for an amount of time as tolerated by the infant. Physical activity opportunities are available indoors, including supervised tummy time.

Infants 13-17 months and Toddlers will be given opportunities to engage in outdoor play for a minimum of 60 minutes of moderate to vigorous active play each day.
