Hello friends!

Even with the hot days we have had such a wonderful time learning and making new friends! This month we will be learning about nocturnal animals: where they live, how they are alike, and how they are different. Our other theme this month is Careers and Community. Helpers. We will study about all the community helpers we see around our town and what their jobs are. Our letters are R, B, S, O. Spanish: firefighter-bomber. Your children have already learned so much, we look forward to seeing how much more they learn this year!
