# Happy Anniversary!

We are so excited to celebrate Ms. Tori's first year as our Director at Children's Lighthouse! With a passion for early childhood education that began in 2011, Ms. Tori brings a wealth of knowledge and heart to our school. She holds a degree in speech language pathology and has a background in ABA therapy, which shines through in the thoughtful, supportive environment she helps create every day.

Outside of school, Ms. Tori is a proud wife and mom to her daughter, and she loves sharing her favorite children's books like *Pete the Cat* and *Frog and Toad*. A few fun facts about her: she's a huge Dallas Mavericks fan, the only granddaughter among 22 cousins, left-handed, and her favorite Disney character is Figment!

We are so grateful for her leadership, dedication, and the joy she brings to our school community. Cheers to one amazing year and many more to come! 🎉
