Drive-thru Thanksgiving Feast

November

**PARENTS' NIGHT
OUT CORNER**

This year we will be “feasting” a little different due to COVID-19.

The kids will have their Thanksgiving lunch as normal inside the classrooms. We are so sad that the parents/grandparents won't be able to join us in person but you can still join us in spirit. Please send a family photo with your child (or by email) and we will line the hallways so your child can still be with their family on this special day.

We are still following the protocol of not allowing visitors inside the building. So we will be giving the parents 2 complimentary “to-go” plates to take with them, on November 19th. We will have a table outside the front door to make it easier for you to pick up your plates. You are welcome to come by between 12:00 and 1:00 pm on. We do ask that you R.S.V.P. for your two plates on or by November 10th.

Please email us at gm@childrenslighthouse.com.

Room 8 Ms. Lazz

Hello Room 8 parents and friends, November has already snuck up on us and we are looking forward to another great month of fun and learning. We will be going over Thanksgiving, Native Americans, Corn, Forest Animals and Pumpkins. Our book of the month is "Brown Bear". We will continue to go over the October, as well as add the November sight words. Lastly, I would like to remind everyone that **HOMEWORK** needs to be picked up every Monday (unless I indicate that there is no homework for the week) and be returned every Friday. This is a great time to see just how much your child is progressing and what they are learning.

Room 9 Ms. Sherry & Ms. Gennie

Happy November everyone! This month we are going to go over Thanksgiving, Native Americans, Corn, Forest Animals and Pumpkins. Our character value for November is Gratitude, so we will be learning what it means to be happy with what we have or what we are given and saying thank you for the things we are blessed with. Don't forget about homework and keep practicing so we can all get better!

Room 10 Ms. Georgelle, & Ms. Raven

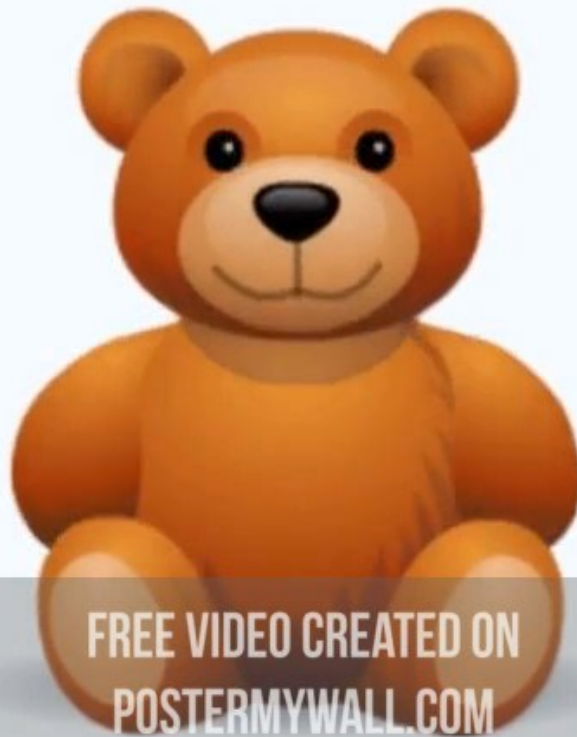

Welcome to November! This month we will be exploring more of our exciting Xtreme curriculum. It is new to us this year and the kids are having a blast letting their creative juices flow and working together in teams. Remember Room 10 is always in need of lots of different supplies such as; coke bottles, water bottles, toilet paper/paper towel rolls, and many more things. If you have donations please see the front desk. Remember the kids always get a chance to complete their homework and read if requested by the parents. If you want your child to wait to get home to do homework please communicate that to the Front Desk or Mr. Chris. Our character value for the month of November is Gratitude. Praise you child when you catch them having an attitude of gratitude.
