## November 2020

### Directors Corner

We are so thankful for all our wonderful Childrens Lighthouse families this holiday season. Thank you for helping to make our annual Fall Festival and Halloween Parade such fun and memorable events. We truly appreciate and enjoy your participation in our activities and events.

We have seen so much growth in our students since the beginning of the school year and cannot wait to share our progress with you. Be on the lookout for portfolio assessments to come out at the end of the month.

As your family is planning for the holidays, please remember that if you would like to use an absentee credit this season your absentee credit form must be turned in with your tuition payment prior to your child's absence. We hope that you enjoy the extra time with family and friends.

As always, feel free to email or call with any questions or comments you may have.
