11/17 – Wrenlee H.

11/18 – Harper M.

Craft Corner

PROCESS ART: CORN COB PRINTS

Materials: corn cob, thick paper, paint

Directions: tape down the paper, roll corn cob in a tray, and then roll along the paper to create the prints

Why: process art emphasizes the process rather than the end result. Creating this art encourages self expression, healthy coping skills, as well as exploration of color, texture, and print making!

November's Family of the Month – The Asbury's

Meghan works in hospice full time while going to school. Joe works as a operator in waste water. George plays football and is tuba player in band and wants to be a scientist one day, Anna loves art & animals and dreams of being a vet, Charlie is the sweetest boy and enjoys helping where he can, and Carolyn is our spunky little girl who walks to the beat of her own drum. We enjoy spending time together as a family doing different activities and helping out our community when and where we can, especially our elderly community.

Teacher of the Month Nov.

*Congrats to
Ms. Kailyn RM 6*
