Lighthouse News

Family Of The Month

For the month of November we have chosen The Bu family to be our family of the month. They are blessed with their sweet little boys Jacob & Jasper who are active, friendly and fun to be around.

We are lucky to have them as a part of our Lighthouse family.

Teacher Of The Month

Congratulations to our **AMAZING** toddler teacher Ms. Sayde Medina, who has truly shown her dedication towards our school and our children. She is a supportive team player and is always willing to help out when needed. We are lucky to have her as a part of our Lighthouse family.

Classroom of The Month

This month our Infant I classroom has received classroom of the month!

Mrs. Mari her new team-mate Ms. LaRea are a great combination in our Shrimps classroom! Together they bring a caring, fun, and loving environment to their room! We are lucky to have them as a part of our Lighthouse family.

Infants ~ Shrimps & Minnows

Play is children's work. Whether it's called symbolic play, make-believe, fantasy, dramatic, or imaginative play. Play offers children a way to explore the world in which they live.

We are excited to discuss story-books, rhymes, and characters during the month of November. Some of the stories you may hear us reading are, Little Red Riding Hood, Brown Bear, Brown Bear, Itsy Bitsy Spider, and more!

Our sign Language for the month is sad, and cry.

Our color is Brown and the shape is a

rectangle.

Toddlers ~ Guppies & Starfish

Play is children's work. Whether it's called symbolic play, make-believe, fantasy, dramatic, or imaginative play. Play offers children a way to explore the world in which they live.

We are excited to discuss story-books, rhymes, and characters during the month of November. Some of the stories you may hear us reading are, Little Red Riding Hood, Brown Bear, Brown Bear, Eensy Weensy Spider,

and more!

Our sign Language for the month is Sad, and Cry.

Our color is Brown and the shape is a rectangle.

Book Fair
11/27-12/1

2's ~ Sea Turtles

In our C.A.R.E.S. curriculum during the month of November our Sea Turtle classroom will be going over our colors and reviewing throughout this month. We will focus on the colors Orange and Brown as we discuss what we are thankful for during Thanksgiving.

In math we will review our shapes and continue to trace and color different shapes.

During Science we will have interactive discussions about the different types of animals that live on a farm.

3's ~ Jellyfish & Dolphins

This month in our C.A.R.E.S. curriculum we will be reviewing all of our shapes and colors.

During our math lesson we will learn the difference between big and small objects and practice different tracing techniques.

For History we will discuss how the pilgrims and Indians ate and the different types of food that was served.

4's ~ Sea Dragons

This month in our C.A.R.E.S. curriculum we will learn about different types of mammals, what they are and how they eat and live.

We will also practice each day on writing on our names until they have been mastered.

In math we will be identifying groups of numbers and the numbers 7-10.

As we continue to work on following directions and listening to simple sentences, we will also work on our readi-

ness skills as we cut out objects with our classroom scissors.

For History we will discuss how the pilgrims and Indians ate and the different types of food that was served.

School Closed
11/23 & 24

5's ~ Stingray

In our Accelerated Pre-Kindergarten we have grown so much already.

Your children are working hard on learning their sight words and new words each week.

For History we will discuss how the pilgrims and Indians ate and the different types of food that was served.

Please don't forget to check their homework folder for updates and class newsletter.

Educational Child Care With a Purpose®

Directors Corner

I can't believe it is November already! WOW how time has passed. Our classes are in full swing and we are currently preparing for our Annual Thanksgiving Parade, parent/teacher conferences and December Holiday programs. What a great time of year for us all to get together and enjoy what life hands us.
