Educational Child Care With a Purpose®

Meet Mrs. Lee Anne Wardwell Center Director

Mrs. Lee Anne helped open our center in 2008. She received her Bachelor of Business Administration degree with a major in Human Resource Management from Texas Woman's University. She will be celebrating her 14th anniversary with Children's Lighthouse next February. Prior to this, she spent a year teaching Mommy and Me classes along with working with children through the YMCA. Her main goal as a director is to make sure every child is loved and receives the best education possible every day.

When she is not at work, she spends her time with her 3 children, ages 15, 7 & 5 along with her 16-year-old niece, her husband, Yohan.

Cognia Accreditation Update

We are excited to keep you informed on our journey to becoming a nationally accredited preschool. As of last month, our school is officially in candidacy for accreditation through Cognia. We completed our self-assessment review visit and are well on our way to becoming accredited.

An immediate benefit will be for our military families that are currently qualified for NACCRA, Child Care Aware of America. You can begin to use that benefit with our program now that we are in candidacy. If you have questions about this, please go to
