

CHILDREN'S LIGHTHOUSE EARLY LEARNING SCHOOL

I cannot believe this year is almost over. We had so much fun over the month of October with tons of dress-up days. A family filled Fall Festival, picture days and the best little Halloween Parade ever! Thank you to all our families who participated in all these events. It is our families who make celebrating memorable!

Our Thanksgiving Dessert Party is scheduled for November 22nd. This is an opportunity for our children to come together and celebrate gratitude, friendship, and delicious sweets. Join us!

On Saturday, November 16th, we will have our annual Parent's Day Out! Drop your kiddos off with us and enjoy a relaxing day of shopping alone from 10am—2:00pm. Lunch is provided along with fun activities.

It's time for Parent-Teacher "make-up" conferences. We have a second opportunity for parents who missed the first conferences in October. Parent-Teacher conferences will be held on November 25th, 26th and 27th via phone call only. We will post sign-up sheets the first week of November for those parents who missed the in-person conferences. There will be limited availability for these conferences so please sign up as soon as possible. This is an excellent opportunity to address any questions or concerns you may have with your child's teacher.

November is a month of gratitude and giving. We will be organizing a donation drive to support Food Pantry of Round Rock. We encourage you to participate as we teach our children the value of kindness and compassion.

We are grateful for the opportunity to be a part of your child's journey and appreciate your continued trust. If you have any questions or concerns, please do not hesitate to reach out to us. Our door is always open!

Wishing you a joyful November filled with love, laughter, and cherished family moments.

ABSENTEE CREDITS

With the holidays coming up and vacation plans, we wanted to explain how charges work and how absentee credits are applied.

How we bill: All accounts are charged on Monday for your agreed upon tuition regardless of your child's specific attendance for the week. Each contract indicates that the account holder is responsible for payment. Payments are due by Tuesday of each week.

Absentee Credit:

Each child who attends FULL TIME *(RESTRICITONS APPLY)* receives 5 Absentee Credits a year.

Credits are applied when your child is out 3 or more days within the week consecutively and our closure dates do not apply to those 3 days. For Example, we will be closed Christmas eve and Christmas day. Those days do not count towards your 3 consecutive days of absences.

How it works:

Account holder fills out an absentee form and submits before the dates of the absences

Account holder must pay for the absentee week at 60% ahead of time

Account is billed for full amount of tuition

Account is given a 40% deduction

****RESTRICTIONS:**

Children ages 6 weeks to 12 months do not receive this credit

Part time children do not receive this credit

School-Age children do not receive this credit

School – Age program (Anchors classroom)

School- Age children are billed \$120.00 for after school care. Account holder is billed whether the child attends for the week or not. You are paying to hold you spot at a contractual rate instead of \$75/day drop-in rate.

School-Age children who have 1-2 single days out of school are billed their normal tuition charges (\$120.00) plus \$35.00 a day for each full day of care.

If the elementary is closed 3 or more days within the week, this is considered Holiday Camp. Tuition for Holiday Camp is \$275.00 for the week. There are no additional charges.

We hope this explanation helps you navigate our billing. We wish everyone Happy Holidays!

Diwali Celebration

The festival is celebrated to mark the victory of good over evil and light over darkness. The festival also marks the beginning of a new year in some Hindu communities.

During Diwali, people decorate their homes with lights and rangolis, burst firecrackers, exchange sweets and gifts.

Our classes will be decorating their classrooms with lanterns to celebrate!

Happy diwali
