

CHILDREN'S LIGHTHOUSE EARLY LEARNING SCHOOL

September flew by with barely a blink of the eye and now we are on to Fall! This month is jam-packed with so many fun and educational events. We have set our focus on Community Helpers and our Fall Festival!

If you are a community helper, for example, a nurse, dentist, sanitation worker, firefighter, or police officer, we need your help. We are looking for parent volunteers to join us over the next few weeks to present their occupation to our older classes. If you are interested in volunteering for a fun 30-45 minute presentation of questions and answers or activities related to your occupation, please reach out to us at roundrock@childrenslighthouse.com or stop by the front desk.

Fall Fest is one of Children's Lighthouse's most fun-filled events. We hold this festival every October. This community-wide free event is sponsored by Children's Lighthouse and includes carnival games, prizes, pony rides, a petting zoo, a bounce house, food, and tons of fun for all ages. We invite you to come out for our 5th annual Fall Fest on October 19th from 11:00 am to 1:00 pm. Come join the fun!

PARENT—TEACHER CONFERENCES

Parent-Teacher Conferences are a cornerstone of our school year, held twice annually in October/November and April/May. These conferences are crucial for several reasons:

Assessment and Understanding: At the start of the school year, we assess your child's developmental milestones, curricular goals, and general skills using anecdotal notes, work samples, and academic tests. This helps us develop a clear understanding of your child's abilities.

Building Relationships: These conferences allow us to get to know our families better. They provide an opportunity to define goals for parents and discuss how we can collaboratively build a foundation for continued learning.

Focused on the Child: The primary focus of these conferences is your child's development and academic journey. It's a time to share insights, celebrate achievements, and address any concerns.

Convenient Scheduling: Sign-up sheets are available on classroom doors, but spots fill up quickly. If you cannot attend the in-person conferences on 10/14, phone conferences will be available the week of 11/25. We appreciate your patience as we schedule everyone for their meetings.

In-Person Interaction: All conferences are scheduled for in-person meetings and will last approximately 30 minutes. If more time is needed, we can arrange for a follow-up meeting.

We are excited to share your child's academic journey with you and look forward to these valuable interactions!

TRICK OR TREAT PARADE!

10/31 @ 3:30

On Thursday, October 31st at 3:30 PM, we will kick off our Trick or Treat Costume Parade. Each classroom will participate in this exciting event. While there is no specific time for your child's appearance, rest assured that everyone will have the opportunity to gather treats from parents. This will be an outdoor event, so please bring a lawn chair or something to sit on, as well as candy to pass out to the children. We look forward to seeing you here!

PLEASE NO NUTS!
