Hello everyone,

We would like to begin this newsletter with a big "Thank You" to everyone involved in getting our center back up and running. From the parent volunteers to the members of this community stopping by to help, we are grateful for all the support we have received. We are happy to be back in our rooms and taking care of all your wonderful babies again. Your support and patience with us through this time of re-building was a driving force in helping us complete the necessary tasks to re-open. Thank you from the bottom of our hearts.

I would like to start off by saying that I am happy to see everyone’s smiling faces back in the building. I’ve missed all of the children. We are trying to jump back into the swing of things. For the month of October we will be leaning facts about “Japan”. Our character value is “Helpfulness”. The kids and I will be setting examples of what it means to be “Helpful”. Please remind them that all homework should be started after they finish snack.
