Our little spiders spun a web of fun this month. We made big spider hats, and we also wore small birthday hats. We love counting to 5 in English and Spanish. We planted sunflower seeds and watched them grow, playing in dirt is so much fun! We are learning to share by using our words by saying "please" and "thank you". We are so excited to dress up for Halloween in October!

News

September was filled with new experiences and adventures. As our new school year started this month, it was very fitting that this month's theme was "All About Me". We learned about each others favorite colors, things to do, and our family. We learned about how apples can be red, green, and yellow, and how they taste different based on color. We are looking forward to great and safe year!

News

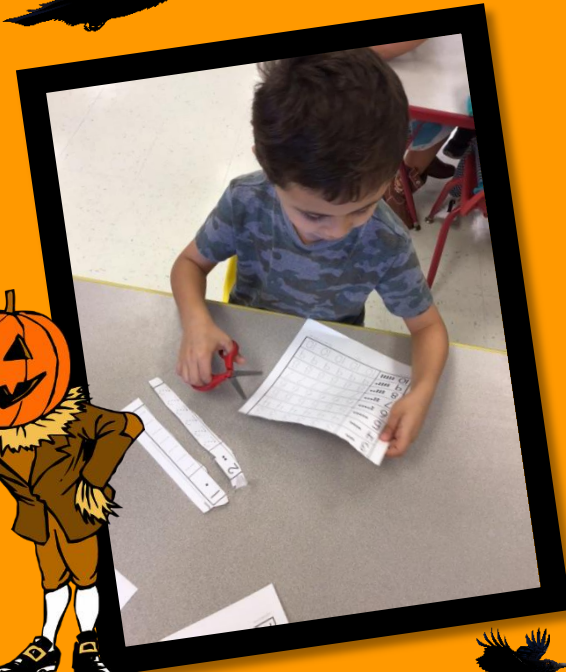

During the month of September, we enjoyed learning about apples and having a tasting party! We also learned the differences between pets and wild animals, as well as items that we have at home that are in common with them. We are starting our tracing and writing game strong! Room 7 definitely has started on the right track!

News

September was filled with lots of fun and laughter! We explored different color apples and how they taste different from each other. Math was a huge subject where we measured and graphed often for lesson. One fun thing we enjoyed to do was read outside with friends and enjoy the fresh new fall breeze. The new school year is starting off very well, we are excited for the holiday months!

September went by so fast!
We learned about each one
of our friends and
discovered so many new
skills. We enjoyed writing in
our language books, had fun
with sight words, and loved
when our teacher read books
to us in the afternoon. We
are very proud how great
APK has begun this year,
and very excited for our
pumpkin carving contest!

News

This school year has been very different than our past years, but it did not stop us from learning and having a great time! We met new friends from different schools during virtual learning and ended the day completing challenges and earning badges. We also had fun playing games after homework was done! Room 10 is doing amazing job handling these new challenges, while having fun and staying safe!
