

October 2024 Newsletter

Tuscan Lakes

What's Happening

It's October! Can you believe it?! We have been in school for a whole month 😊

Thank you for your participation with the "All about ME" posters. We will be using them in the classrooms this month.

This month's themes are so much fun- learning about our "Community, Careers and Nocturnal Animals."

We are excited to welcome our local Fire department on October 9, 2024. They are going to come demonstrate fire safety to the children and the importance of not being afraid of fire fighters during a real fire event.

October 21st-25th is Red Ribbon Week. Every day will have a theme to help us celebrate.

On Thursday, October 31, 2024, we will be celebrating with the kids that you can be "whatever you want to be" for the day. They can come in any costume they want. We will be trunk-or-treating in the morning during the classrooms outside times. Please provide your child with a trick-or-treat bag or bucket for this event. We will have a community sharing and caring party for our pm snack.

Parent's Corner

Here are some helpful oral tips for children from the CDC.
