Staff Spotlight

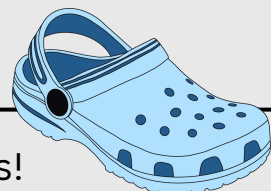

We are SO lucky to have Stormi as our Daily Operations Manager! 💛 She is always willing to jump in, lend a hand, and do whatever it takes to make sure our day-to-day operations run as smoothly as possible. Stormi is an incredibly hard worker, a dependable teammate, and an even more incredible person. Her dedication, positive attitude, and willingness to help wherever she's needed make such a difference to our school and our team. We truly appreciate everything she does behind the scenes to keep things moving! Thank you, Stormi, for being such an amazing part of our Lighthouse family! 💙🌊 We are so grateful for YOU!

Character Value in Action Helpfulness

This month, we are shining a spotlight on **HELPLESSNESS!** Our Lighthouse family believes that even the smallest acts of kindness can make a big difference.

On October 3rd, our Lighthouse staff will be volunteering with Minnie's Food Pantry, giving their time to help support local families in need. We're also inviting our families to join us in spreading kindness by making a donation to St. Jude Children's Research Hospital throughout the month.

Update From the Office

Registration Fee Update

We're making a small change to the way we charge our annual registration fees! Instead of charging the entire school at the same time, registration fees will now be based on each child's annual enrollment anniversary.

As we continue this transition, families whose child's enrollment anniversary falls in October will be charged the **\$150 annual registration fee on Monday, October 12, 2026**. Moving forward, families will be charged annually around their child's enrollment anniversary.

Not sure when your child's enrollment anniversary is? Just stop by the office—we'll be happy to help! 😊

Thank you for your understanding as we make this transition!
