

October Newsletter

Welcome to October!

October is here, and we have a month full of learning, exploration, and fall fun ahead! Our classrooms will be discovering everything from homes and families to community helpers, careers, fall changes, and nighttime animals. We're looking forward to watching our children learn through hands-on experiences—and, of course, enjoying a few special fall memories along the way!

What We're Learning

🍁 Infants

Our infants will explore fall through sensory play, music, movement, stories, and hands-on discovery while continuing to strengthen communication, motor skills, and social connections.

🍁 Toddlers

Our toddlers will explore "My Home," families, fall, the color orange, and the square. We'll also practice our character value, Helpfulness, while building language, independence, coordination, and problem-solving skills.

🍁 Preschool

Our preschoolers will explore careers, community helpers, fall, and nocturnal animals while strengthening early literacy, handwriting, math, science, and social-emotional skills through hands-on learning.

'But They Don't Do That at Home!'

We understand that behaviors can look different at home and at school. When a teacher shares a concern, our goal is always to find a solution together.

We ask families to be open and transparent about what you may be seeing at home, what has worked, and what hasn't.

Instead of stopping at "They don't do that at home," ask: "What can we do at home to help reinforce what you're teaching at school?"

The more we communicate and work together, the better we can help you help your child succeed. ❤️

October Highlights

Pumpkin Patch at the School October 16

Our pumpkin patch is coming to Lighthouse! 🍁 Children will get to enjoy a special fall experience right here at school. We can't wait to make some sweet fall memories!

Character Value: Helpfulness 🧡

Throughout October, we'll talk about what it means to lend a hand, care for our classroom, help our friends, and be a contributing member of our school family.

A Note From Lighthouse

Thank you for continuing to partner with us as we help your children learn, grow, explore, and become more independent each day. The strongest progress happens when home and school work together. We appreciate you being part of our Lighthouse family.

Here's to a wonderful October! 🍁🎃

*Thanks for being part
of our journey!*
