Parent Surveys

Parent surveys will be emailed to you on Mon, 10/11

Due to our office by Fri, 0/15.

We provide our families with a satisfaction survey twice a year. Your responses provide us with invaluable information that we utilize to set our improvement plans for the year. Please include your child's age when taking the survey so we will be able to set more specific goals, as well.

Surveys may be returned by email to info@childrenslighthouseaginaw.com. If you would like to keep your responses anonymous, you may print and return your survey in a sealed envelope to our front office.

Tadpole Tips:

You can find previously received emails through your tadpole app. They are located in the Memories areas.
