## Picture Day

## October 13 & 14

10/13 Rooms 1-4 & all siblings

10/14 Rooms 5-10

We would like to coordinate a Trunk-or-Treat at 10:30am on Friday, October 30<sup>th</sup>. This will only happen if we can get parent volunteers.

If you can plan to volunteer to decorate your trunk and pass out treats that morning, please let management know. We will confirm the event is we can get at least 15 volunteers by October 21<sup>st</sup>.

This year we will participate in the military program called Operation Gratitude that sends candy and cards to our military in action and to our veterans.

Please donate individually wrapped candy for this month's community project.

*Congratulations*

*Teachers of the Month*

**Mrs. Amanda** in Rm 8 always has her classroom ready to learn and ready for fun.

**Ms. Sheila** is a gem, a diamond! She helps out everywhere and always goes above and beyond for the children.

## Fall Parties

This year has been a whirlwind of change for our families at home and our family here at school. As we adjust to the new guidelines and work together to keep our families healthy, we will attempt to keep to our normal as much as possible. Sadly, we have cancelled our Annual Fall Festival for this year. We will still have parties in our classrooms and plan to have games in the classrooms for some extra fun. We can have up to 2 parent volunteers in the classrooms to help but cannot have an open invitation like we normally do. If you would like to volunteer to help in your child's class, please let the teacher or management know. Costumes welcome on Friday.
