Directors' Corner...

Fall is in the air and we are excited for the cooler weather! As the weather changes, please make sure that you send clothes that are seasonably appropriate for unexpected outfit changes.

With the change in seasons towards "cold and flu" season and ongoing concerns surrounding COVID-19, we want to make sure we are working together to do all we can to minimize the spread of illnesses. We maintain a rigorous sanitation protocol and our ZONO machine is in constant use for disinfecting throughout the day as we rotate all of the items in each classroom. Of course we know that regular handwashing is the single most important tool in staying healthy and we are diligent about doing that all day long. That said, illnesses do occur in a group care setting and we ask for your help when your children are ill. Our Wellness Policy requires that all children with a fever of 100 or above or with any COVID-19 symptom must meet one of these requirements before returning to school:

- A clearance note from a physician
- A negative COVID-19 test
- 72-hours fever-free

We know that it can be very challenging to balance the demands of ill children with other obligations, but the spread of sickness is slowed substantially when children are not exposed to contagious illnesses. We are so thankful for your help and are hoping that all of our cooperative efforts lead to a mild winter-season in regards to illnesses.

Happy Fall Y'all!

-Courtney and Marisa

ROOM 1

Welcome to October! We are so excited for new babies joining our class! This month we are learning about transportation and sounds, how sticky things can be, and all the places that we can go! We will be using vehicles for sensory experiences. It should be a month full of fun!

Just a reminder to make sure all bottles and lids are labeled with first names and last initials.

-Ms. Hanna

Room 2

October is already here! We are so excited about all the learning activities we have planned for the month ahead that include fun painting with our colors of the month; orange and black and our theme of cars, trucks and trains. We will learn that horns go beep-beep, trains have whistles, wheels go round & round and that I can make tracks with toy cars and trucks!

-Ms. Ja'See and Ms. Breigha

INNOVATIONS

Infant I, II & III

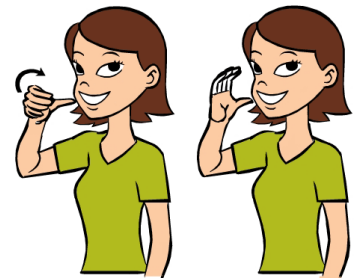

Theme: Cars, Trucks, and Trains

Color: Orange and Black

Shape: Square

ROOM 4

Happy October! This month our theme is "Wheels" and our colors of the month are orange and black. Our monthly shape is a circle. Keep an eye out for our fun art activities such as making pumpkins and cars. We will also be sending more information about our Halloween festivities!

-Ms. Katie

C.A.R.E.S.

THEMES: Careers, Community Helpers, and Nocturnal Animals

CHARACTER VALUE: Helpfulness

Room 6

October is here! This month we have our new letters, which are Rb, Bb, Ss, and Oo. Our colors are orange, yellow, and red. We will be discussing careers and pretending to be various community helpers for the day. We will be using recycling materials to make a robot, matching band-aids with body parts, discovering bones, and discussing big vs. little. We will be reviewing nocturnal animals, making shapes with sticks, and naming where they live. Stay tuned for more information about Halloween!

-Ms. Stephanie and Ms. Brianna

Room 5

Welcome to October! We are excited about Fall and all of the beautiful art we will make for Fall and Halloween. We are working on using our manners and saying "please" and "thank you". In October we will be learning new letters (Rr, Bb, Ss & Oo), talking about community helpers and nocturnal animals.

Stay tuned for more information about Halloween!

- Mr. Logan

ROOM 7

This month we will learn about community helpers and what they do. Also, we will talk about various careers, such as dentists, and discuss how they help us. We will study different nocturnal animals as a way to learn our numbers, opposites, letters, and more. Our letters of the month are Rr, Bb, Ss, and Oo and our shapes are squares and stars.

Be on the lookout for more information about Halloween!

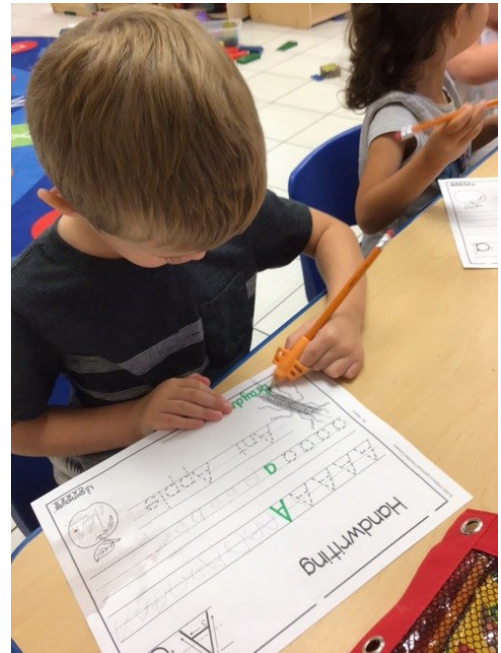

-Ms. Kolleen and Ms. Shaquoyah

ROOM 8

It is hard to believe that October is already here! Our themes for the month are Community Helpers, Careers, and Nocturnal Animals. We will be introducing the letters: Bb, Ss, Rr, and Oo. Our character value for this month is "Helpfulness" to ensure your child learns to do what is best and to do what is asked of them. We will also be learning the Spanish words for "fireman", "doctor", "owl", and "spider." Stay tuned for more information for our Halloween plans.

-Ms. Jazmine and Ms. Shelbie

Room 9 APK

Fall is here! This month we will be adding the following sight words to our list: and, can & get. If you could, continue to help your child recognize these words as they will help them on their way to reading! If you notice our hands getting stronger it is because we will be writing our names and the letters Bb, Ss, Rr and Oo.

Stay tuned for more information about Halloween festivities.

-Mrs. Eileen and Ms. Alex

Room 10 After School

All of our school agers have officially been back in school in BISD and NISD for over a month and we are getting settled into our routine! If you have any items or homework that you would like your child to work on while they are here in the afternoons, feel free to let us know! We look forward to welcoming our BISD students all day on 10/8, 10/12, and 10/13.

-Mr. C and Mr. Robert

Congratulations...

Please join us in offering a huge kudos to Ms. Patty for being our Teacher of the Month for October!

Patty has been a valuable member of our team for over three years and has touched the lives of so many children at Two Creeks. She is famous in every classroom she enters and is loved by both children and colleagues alike! Her attention to detail and reputation for being a star cleaner makes Two Creeks so lucky. Please join us in congratulating her on a job well done!

Now that our CARES curriculum has been underway for a month and the school year has officially begun, the teachers in Rooms 5-9 will be completely developmental assessments on each student in their classroom! These assessments are meant to give teachers and parents the chance to connect about the progress their children have made thus far and help set goals for the upcoming school year. Be on the lookout for your child's assessment at the end of this month/beginning of next month!
