

**PJ'S FOR PEDIATRICS**

# **PAJAMA DRIVE**

**Please help us celebrate our 12th year as an organization that collects new pajamas for Children's Hospitals. This charity was started in honor of a young girl that was a patient at Texas Childes Hospital. She was admitted into the pediatric unit for 30 days with only having the clothes she was brought in with. After delivering some pajamas to her and seeing the joy it brought, we have been collecting thousands of PJ's and donating to local pediatric hospitals ever since.**

**How can you help: Bring any size of children's new pajamas, slippers, and toddler undergarments to any of our drop off locations.**
