Ex-S.T.R.E.A.M Summer 2019

We are looking forward to having a great summer together! As we get ready to embark on our summer reality journey, here are some things we would like everyone to remember:

- Sunscreen – If you would like us to apply sunscreen to your child, please be sure you have provided sunscreen clearly labeled with your child's name. No spray on sunscreen will be applied, so please bring lotion.
- Toys from home can be brought on Fridays. No electronics or toys on other days of the week.
- We ask that children wear close-toed shoes for their own protection. This is especially important on days we go on field trips.
- Remember to wear Children's Lighthouse t-shirts on all field trip days. If your child is not wearing the Children's Lighthouse summer shirt on a field trip day, one will be provided, and a \$10 fee will automatically be added to your account.
- All activities are weather permitting. We will not be having make-up dates for any activities cancelled due to weather.
