## Upcoming Events

Greetings Lighthouse Families I am so happy and honored to introduce myself as Dannel Franzoy one of the Assistant Directors here at the Children's Lighthouse of Lake Houston. Since starting my first job at a Montessori school in Los Angeles California I have been able to obtain a bachelors degree in Interdisciplinary studies and a Masters degree in Guidance and Counseling. Needless to say I have been gladly working with children for about 20 years. I have two beautiful daughters of my own and they both attend Children's Lighthouse. You can see them running in the halls excited to get to class. I look forward to serving you and the teachers here at school please don't hesitate to say hello.
