What's Happening

It's September! Can you believe it?! Another school year has begun 😊

Welcome to Children's Lighthouse. We hope that your child's educational experience with us is everything you expected and more. We strive to deliver the best quality service to you and your family daily.

We are so excited about our lending library in front of our building. This library was built by Aliyah Bhojani, a Cadette Scout of Troop 883. She built this for the community to enjoy and to attain a silver award from the Girl Scouts. This award is the highest award a girl scout can accomplish. Please enjoy this library with your child by taking a book to read and leaving books that you no longer are using at your home. This is a great way to promote reading with your child and yourself.
