

September News

Dear Families,

August ended our amazing eX-STReAM Summer Adventure! We were excited to have the opportunity to teach your child all about science, technology, reading, engineering, art, and math with our weekly themes. We had some ups and downs this summer but thank you for working with us through the hard time.

This month we are stoked to start the C.A.R.E.S curriculum again. Keep a look out for homework starting this month too! Each child has transitioned into their new classrooms for the fall and they are settling in well. We are wishing for the fall temperatures to be here. Until then we will continue to practice our social distancing and our handwashing skills in the classroom. Our children will be learning all about cooperating and working together. "All about Me", "Pets", "Apples", and "Wild Animals" will be the themes this month. The infants and toddlers will learn all about "Big/Little", and "Little Animals". We look forward to a Great School year with our Lighthouse kids!

Samantha Flores/ Preschool Manager

Upcoming Events this Month

School Closed: Happy Labor Day!	7th
Homework Begins (to be returned every Friday)	9th

School-Age Curriculum Focus

We have started on Virtual Learning with our Katy District students. We will begin with our Cy-fair students on 9/8 as well as starting our before and after school program. Our schoolers will participate in activities, crafts, and science experiments from their X-stream Quest Curriculum for their

After-school routine.
