## **Wellness Policy**

Our commitment to keeping children healthy is paramount. In addition to our daily sanitation procedures in the classrooms, our ZONO machine allows an additional level of high-powered disinfecting. To prevent the spread of illnesses, we work hard to swiftly remove ill children and teachers from their peers. We ask for your partnership in keeping sick children home until they have been symptom-free or on antibiotics for 24 hours. These sicknesses include, but are not limited to, a fever of 101.0 and above, vomiting, diarrhea, and pink eye.
