## September 2020

### Directors Corner

Happy 2020-2021 school year. I would like to extend a warm welcome to all our new Childrens Lighthouse families and welcome back to our returning families! We are so excited to explore the enhanced, more hands-on, and innovative C.A.R.E.S 2.0 curriculum. We look forward to seeing your children grow and learn through our hands on teaching and interactive learning! The children are settling into their new classrooms and our halls are buzzing with the sounds of learning and laughter.

I would also like to thank you for your patience at drop off and pick up. We are doing our best to get your child to you in a timely manner and appreciate you calling ahead.

## Curriculum Highlights - August 2020

**Rooms 1, 2, & 3** - The new school year has started, and we are so excited to learn! This month our theme is BIG and LITTLE and we will be focusing on the sign BIG. We will talk about the circle shape, color red, and the Spanish words "grande" and "pequeno".

**Room 4** - This month our theme is LITTLE ANIMALS and we will be focusing on the rhyme "Five Little Monkeys". We will talk about the triangle shape, color red, and the song "Pop Goes the Bunny".

**Room 5** - The theme for this month is All About Me, and the Character Value is Pride. The children will be focusing on learning about these two topics throughout the month. They will also be learning all the primary colors, circle and square shapes, letter A and the number 1, while exploring our discovery areas. Make sure you are asking your child how their day went and praise them for their efforts.

**Room 6 and 7** -. We are very excited to be getting back into the C.A.R.E.S Curriculum. This month we will start by focusing on the theme, "All About Me" and the character value is "pride". Encourage your child by asking them about their day at school and posting special papers in a place of honor. Be sure to praise them for their efforts they have shown! We are looking forward to a great year!

**Room 8** - Room 8 is ready to tackle the new school year! We will focus on the theme "All About Me" and the character value, "pride". We will also be learning letters A-Z, numbers 1-25, and reviewing our colors and shapes.

**Rooms 9** - We feel so honored to be able to work with your children for one more year! This month's theme is "All About Me" and the Character Value is Pride. We strongly believe that building an environment that is safe and nurturing for students to come into everyday helps children learn and creates a strong foundation for a good academic future.
