Employee of the Month

Hello everyone. My name is Mrs. Roselyn. We moved to Apex from Illinois in April and have joined CLH of Apex in May. I have my Bachelor's Degree in Political Science but I have enjoyed more working with children. I remember being assigned by our Pastor as Children's Sunday School Teacher at my church at a very young age, it was where my passion working with children started. I have a year experience as a Lead Teacher for three-year-old and I am beyond thankful for having the opportunities to work with different age groups here at Children's Lighthouse of Apex. I enjoy getting to know all of them, the hugs and smiles they share with me are the best. As an early childhood educator, I love learning through play approach. Through play, children can discover their own interests, abilities, and limitations; they imagine, investigate, and explore. They develop memory skills, build vocabulary, and learn new skills at their own pace. Most of all, I am a proud mom to a beautiful, sweet, and energetic four-year-old girl, Hannah, and a wife to my wonderful husband - Brady of seven years. Outside of school, I love spending quality time with my little family. We enjoy going to ice cream shops, we love going to park (Hannah and I's favorite park so far is Salem Pond Park) going for a walk around the neighborhood, hiking at Tobacco American Trail, going to church on Sundays and taking a nap with my favorite people on weekends.
