September 2026

Character Value of the Month:

This month, the children will learn about cooperation with our friend Cody the Collie! They'll discover that cooperation means listening, helping others, being patient, and working together to achieve a common goal.

Cody the Collie

Cooperation • U.S.A. • North America

Cody lives with his trainer in a lighthouse on the coast of the United States of America. He is a wonderful dog who cooperates with his owner, as he is trained to be a rescue dog. Together, they help others.

We Work Together

This month, our Bright classrooms are exploring the theme **Wonderful Me!** Throughout the month, we will be learning all about ourselves by singing "**Head, Shoulders, Knees, and Toes,**" identifying different body parts, talking about the clothes we wear, and discovering the world around us through outdoor adventures. The children will also enjoy a variety of sensory play experiences that encourage exploration, creativity, and hands-on learning. We look forward to a month filled with fun, discovery, and opportunities to grow!
