Harvey

Hurricane Harvey has affected many of our Lighthouse families in the 14 Houston center areas. Estimated 1500-2000 of our lighthouse families have been affected by this disaster.

We are collecting money to send to our home office so they can purchase items needed for these families.

Any donation would be of great help, we hope that we can bring some peace to these families. They have lost all personal belongings including pictures. We cant bring back memories but with your donations we may be able to bring a little hope to their hearts!

Our donation box is located in the office at the front desk. We need all donations in by September 5th in order to send out needed items immediately.

Thank you for your support.

Fridays are our share days!

All share items needed to be able to fit in the palm of your hand. Please make sure to label your share item with your child's name. Upon arrival if your child's share toy is larger than the palm of your hand then the share toy will be sent home.

All children are required to have a crib sized sheet and a lightweight blanket for rest time. Please label with child's name. All large blankets will be sent home.

Curriculum Themes:

C.A.R.E.S.: All about me, apples, and pets

School Age: Our earth

Toddlers: Little animals

Infants: Big and little

A note from our Director!

Dear Parents;

Back to school has us off to a great start! Our friends have enjoyed making new friends and meeting their new teachers! We know for many this will be the first experience away from home. This can be a big adjustment for you and your child. We want to reassure you that we will make the transition as smooth as possible so you both will feel comfortable and secure.

A few reminders for the new school year

- Please remove all heavy blankets from cubbies we allow a light weight small blanket that fits inside the cubbies.
- Share days are only on Fridays, please respect the classroom by leaving all toys at home or car unless it is Friday! All items must be small enough to fit in the palm your hand or a lunch size

brown paper bag.

- All children need a change of clothes for their cubbies. Younger children will need three changes of clothing.

We are continuing to pray for all those affected by hurricane Harvey! And have a donation box in the office to help those effected. Another hurricane is approaching in Florida. Hurricane Irma has been announced as a stage five, hurricane. It can be easy to give into worry, fear and despair, but with Faith we can find strength and look forward to better things. He gives us hope.

We are going to stand together, united. -Wade Barrett

Looking forward to a great school year!

Notes from the Kitchen!

Some easy back to school snacking!
Rice crispy apples, fruit rolls, Nutella and banana tortilla rolls! Celery sticks with some Nutella and raisins.
Nutella is a great alternative to peanut butter!

Happy Snacking!
