Meet Ms. Ally

Lead Teacher Pre-K Room 9

Ms. Ally joined our team in July of 2015. She loves teaching children and watching them grow. One of her teacher superpowers is that on a daily basis she makes sure that each child in her class knows how amazing that they are and how special they are to her. She enjoys teaching many groups, but especially loves teaching Pre-Kindergarten because of their love for learning. It is very fun for her to see them grasping new concepts every day.

Little Known Facts

- She has 1 brother & 4 sisters
- She has 6 dogs!
- She has never left the state of Texas.
- She loves to go hiking and going on adventures.
- On the weekend, she enjoys taking long drives.
