**Fridays are our share

All share items needed to be  
able to fit in the palm of your  
hand. Please make sure to  
label your share item with  
your child's name.

We don't want share items to  
get lost or broken, it is  
important that the share item  
is small enough to store in the  
classroom.

Meet Miss Haylee!

She is our terrific Preschool 1  
teacher in room 6!

Miss Haylee strives to create an  
environment that instills a love  
of learning to her children. We  
love seeing her classroom explore,  
learn, build character, and most  
of all have fun!

### A note from our Director!

### Easy snacks for children!

Dear Parents;

Welcome to a new school year!  
We are so happy to have each of our families I am so excited to partner with you to promote your child's development throughout the year.

September is national baby safety month. If you have an infant or young child here are just a few safety tip I recommend reviewing.

- ◇ Secure any window blind cords so your child can not become tangled with the cords
- ◇ Make sure sheets are secure and not loose in the crib.

- ◇ In the kitchen, turn any pot handles inward to the stove so your child may not reach handle.
- ◇ Use child locks to prevent children from getting into cupboards.
- ◇ Many children are curious, use plug covers for outlets not being used and cord covers to hide lamp cords.

Each month we bring the theme to life in our classrooms. If any parent or grandparent has a skill to share please let us know!

Some easy back to school snacking!  
Rice crispy apples, fruit rolls, Nutella and banana tortilla rolls! Celery sticks with some Nutella and raisins. Nutella is a great alternative to

peanut butter!
