### News

In the month of August we explored the color blue and played with gelatin giggers which we enjoyed so much! We learned about the shape Oval, and painted within the shape and made footprints as well. Room 1 ended summer in the cool water during their last splash day. We made so many memories, but we are ready to start a new school year to meet our new friends!

News  
The summer went by so fast,  
however we learned so much. To  
end August, we explored with  
gelatin giggles, and played with our  
pop up pals. Room 2 also enjoyed  
playing with their texture board! A  
new school year has approached  
us and our new friends are ready  
to learn!

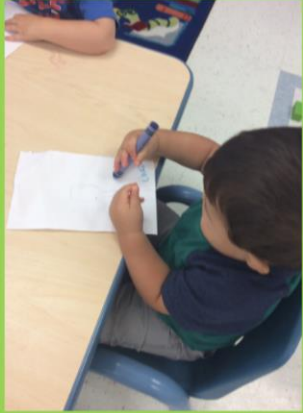

Room 3  
Mrs. Tina, & Ms. Jazmin

News

Room 3 colored many different objects and animals that have oval shapes. We learned the different shades of blue by mixing paint together. Ms. Tina made a box car with different bottle caps so that the children can practice sorting sizes, color, and practicing open/close. We would also welcome our new teacher Ms. Jazmine to our classroom! Summer has ended and all our little friends are ready to move up to their new classrooms!

### News

We had big fun learning about BIG animals in the month of August. We colored a brown bear and made sensory bottles with the animals from the book, "Brown Bear, Brown Bear, What do you see?". We learned about all things blue which was our color of the month. We are very excited to see what September will bring us!

### News

Well summer has finally come to a close, and we had a blast this past month. We learned about different animals, and how they walk. We made bear and elephant masks, learned new games, and had a dance party! We also got to eat a lot of exciting snacks, and tried new fruits that we used to paint with. Our class ended the summer enjoying splash day, now we are ready to transition to the new school year!

Room 6  
Mrs. Theresa, Ms. Amanda,  
& Ms. Tatiana

### News

In the month of August, we got to make fruit salad, which was super delicious. Our favorite fruit was the watermelon! We also learned a cool new way to paint pictures using oranges and pom poms. Room 6 received a visit from a special guest who taught a few songs in Spanish and read a bilingual book to our friends! We can't wait for the school year to come to learn some more!

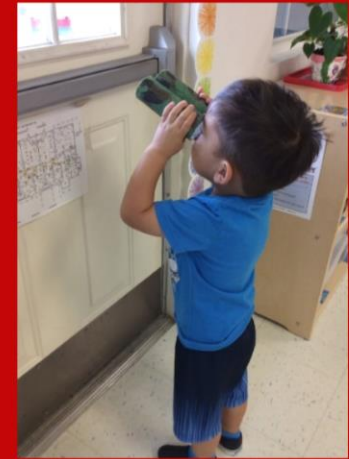

Room 7  
Mrs. Sarahi, Mrs. Belen,  
& Mrs. Damaris

### News

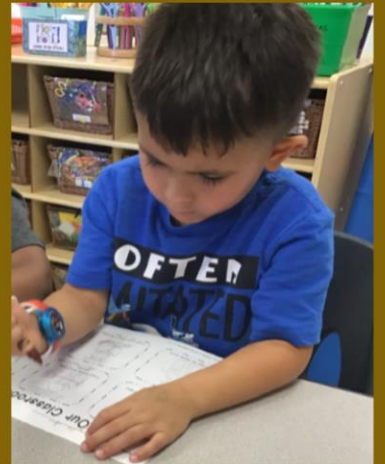

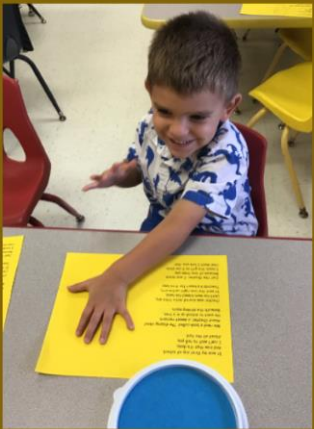

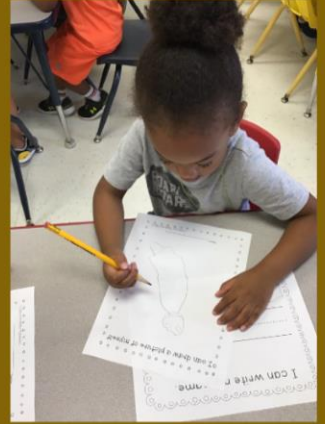

During the month of August we had a blast learning about linguistics, algorithms, labyrinths, thespians, and musicality. We enjoyed all our dress up days, and would like to thank all our parents for going above and beyond all those days! Our last splash day was so much fun, we can't wait until next summer to do it all over again!

### News

For the month of August we had an awesome time dressing up as our favorite book character. We also enjoyed making yummy treats like watermelon fruit salad, orange vanilla yogurt, and crackers and fruit pizzas. We had fun using our imagination and creating lots of art like painting with pom poms and oranges. The class also practiced writing in journals and reviewing our letters and numbers. We can't wait for the new school year

### News

As we wrap up the summer, August was filled with tons of fun! The first week we were crazy for mazes! We tested ourselves with creating our own mazes, and took a trip to Legoland, and boy did the kids love it! Next our kids learned how to put on a play for their other classmates for "Reader Theater Week". The class was now prepared for the talent show, which definitely showed within their enthusiasm. We ended our summer with some rhythm and movement and dance party!

### News

It's back to school time! Unfortunately, that means summer camp must to an end. Despite the fact, students in room 10 still had a blast on our last field trips to Snake Farm, Legoland, and Peter Piper Pizza. The fun didn't; stop there as we played numerous games that tested out communication and problem solving skills. The last big event of summer camp was room 10's talent show! Every camper who participated did an awesome job and put on a great performance! I hope everyone in our senior cam has spectacular school year and can't wait to meet my new friends!
