Wow! We have had a wonderful summer getting to know all of our new friends, but now it is time to get to work and learn new things.

Our C.A.R.E.S Curriculum has begun and we are very excited to use our new books.

The theme for this month is All About Me, and the Character Value is Pride. The children will be focusing on learning about these two topics throughout the month. They will also be learning all the primary colors, circle and square shapes, letter A and the number 1, while exploring our discovery areas. Make sure you are asking your child how their day went and praise them for their efforts.

Dear Parents,

Thank you for giving us the opportunity to teach your children this year. We trust it will be a wonderful year of learning and having good times together. We are very excited to be teaching the C.A.R.E.S Curriculum. The workbooks have been designed and prepared especially with your child in mind. This month we will start by focusing on the theme, "All About Me" and the Character Value is Pride.

You can encourage your child by asking them about their day at school and posting special papers in a place of honor. Be sure to praise them for their efforts they have shown! We are looking forward to a great year!

Hello Parents:

We feel so honored to be able to work with your children for one more year! This month's theme is “All about me” and the Character Value is Pride. We strongly believe that building an environment that is safe and nurturing for students to come into everyday helps children learn and creates a strong foundation for a good academic future.

Parent's Night Out– September 15, 2018

We will be having Parent's Night Out on Saturday, September 16th from 5:30-10:00 pm. The cost is \$30 per child and \$20 for any additional children in the family. We also welcome siblings who are not enrolled in our program!

We request payment when you sign up at the front desk. By paying in advance we are better able to staff the center for the night.

The money is non-refundable, so if you decide not to bring your children to Parents Night Out the staff will still be paid for their time.

We will be serving dinner and watching a movie.
