Sick Policy

Please **DO NOT** send your child to school if he or she exhibits any of the following conditions or symptoms

- Any reportable condition that is determined to be contagious, child must have a doctor's note upon return
- Any fever of **100.4** or higher (without medication)
- Colored discharge from the nose
- Constant, deep, hacking cough
- Sore throat with swollen glands or tonsils or white spots
- Undetermined rash, open sores/blisters
- Stomach accompanied by vomiting, cramping, or diarrhea
- Signs of conjunctivitis, such as redness or discharge from one or both eyes
- Complaints of ear pain followed by a fever
- Head lice **and/or** eggs

Additionally, if your child vomits twice or has diarrhea 2 times, a pickup will need to be arranged. If any signs or symptoms appear while your child is at the school, he/she will be kept separate from the group and you will be contacted to arrange immediate pick up. In all cases, children will not be allowed to return until 24 hours have passed symptom and medication free. If a child is sent home from school, they must be absent the full following day of school.

If you child has been sent home for exhibiting 2 or more COVID related symptoms, they must stay out of school for atleast 72 hours and return symptom free with a physician's note and/or a negative COVID test.
