Please bring your child in their swimsuit with sunscreen already applied with closed toed water shoes. Crocs will work or regular water shoes. Please bring a towel for your child and a change of clothes for after the splash pad. Thank you!!

All items need to be labeled ☺

Please provide a bag to put all wet clothes in.

Safety Notice- Please do not leave the playgrounds from the emergency exits. Those exits are for emergency use only and for evacuation if a fire is on the premises. We do not want to show our children how to open those gates plus the traffic is extremely dangerous for children to cross over there. Thank you for your help with this issue.

Signing Your child/children in/out- Please make sure that you are signing in your child before you take them to class and sign them out before you pick them up from the class in the afternoon. This is a state requirement of all parents, and we need your help to always stay in compliance.
