

Sunscreen and/or Insect Repellant Permission

Sunscreen must provide UVB and UVA (broad-spectrum) protection with an SPF of 15 or higher. Sunscreen may not be used on infants under 6 months of age unless parent permission is granted below. Insect repellent products for children should contain no more than 30% DEET.

All sunscreen and insect repellent provided by a parent/guardian must be:

- ✓ clearly labeled with each child's full name
- ✓ provided in the original container
- ✓ within the expiration date
- ✓ clearly labeled with directions appropriate for the age of the child

Sunscreen and insect repellent must be applied to a child at least once at home to test for any allergic reactions. I understand that if I do not want sunscreen and/or insect repellent applied to my child, then I must provide protective clothing to protect my child from sun exposure and insects during outdoor activities.

Please complete the following information on a separate form for each child:

I acknowledge that I have tested my child for an allergic reaction to the sunscreen and/or insect repellent described below, and no such reaction occurred. I hereby give the Childrens Lighthouse school named above permission to apply the sunscreen and/or insect repellent specified below to my child when outdoor conditions warrant application.
