GHHOUSE**

April 2021

"It is time for a return to childhood, to simplicity, to running and climbing and laughing in the sunshine, to experiencing happiness instead of being trained for a lifetime of pursuing happiness. It is time to let children be children again." ~ L. R. Knost

UPCOMING EVENTS

- **Thursday, April 1st - Easter Egg Hunts and Visit from the Easter Bunny (available for pictures at afternoon carpool)**

Give your kids a giggle:

*What animal needs a wig?
A bald eagle!*

*Why can't you give Elsa a balloon?
Because she will let it go!*

*What do you call a bear with no teeth?
A gummy bear!*

Our Lighthouse focus this month...

Spring!

We have looked forward to this season for all the new life and growth it represents! Our students will be learning about it through lessons in class on life cycles and insects but also in our new garden and the ladybugs and praying mantises we will watch grow and then transplant into it!

Our chicken eggs will arrive this month and we are anxious to watch them hatch and see the little chicks emerge!

Our character attribute for the month of April is:

Responsibility

"Though I am not always responsible for what happens to me, I am responsible for how I handle what happens to me." – Zig Ziglar

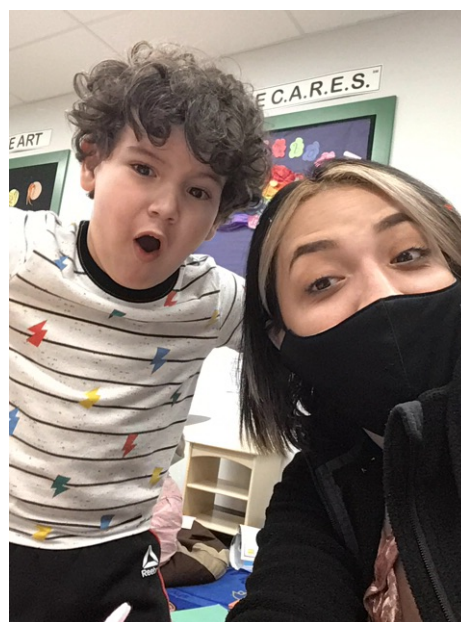

Reminder:

In order to protect our students with allergies, please do not bring outside food into the building unless you have a doctor's note or special permission from the front office (for birthday celebrations, etc.) to do so.

Annual file review

Each year we are required to update each student's file. This involves verifying no information on enrollment paperwork has changed, a signature, an updated health statement from the pediatrician, and an updated copy of vaccine records.

If your family enrolled with us in the second quarter of 2020, we will be reaching out to you soon to obtain this information. Please contact your doctor for these updated records and bring them or fax them to our office. Thanks so much for your help!

Our teachers are rock stars! Here is Ms. Ashley and Nathan in Room 7! Due to the craziness of this year, our teachers have proven to be extra flexible and incredible team players, filling in and moving around to various rooms as needed!
