

THE TOP 10 REASONS PARENTS CHOOSE CHILDREN'S LIGHTHOUSE

1. SAFE & SECURE

Our facility is safe and secure where every parent has a personalized, secure door code (only authorized people may enter a Children's Lighthouse school)

2. INTERNET VIDEO MONITORING

Our school is under video monitoring via over 26 cameras around the school. All parents get to stay close to their children via free access to the monitoring system.

3. CLEAN & HEALTHY

Cleanliness is also a high priority. Our buildings are cleaned and maintained by a professional janitorial crew and our teachers encourage children to follow proper hand-washing practices at all times.

4. EDUCATION WITH A PURPOSE

Our children start learning from a young age, giving them an early start, learning to read, write and do math ahead of their peer group. Our educational program is based on our Innovations program for Infants and progresses to our Lighthouse C.A.R.E.S. Curriculum from 2 years onwards.

5. LEARN CHARACTER VALUES

Along with building a strong academic foundation, our children learn to appreciate the importance of character values - children learn a new one every month.

6. OUR STAFF

Nurturing and trained teachers to care for your child. All our staff are background checked by the FBI, and CPR and 1st Aide certified.
