

## Transportation Agreement

As part of our "Schooler" program, Childrens Lighthouse offers transportation service to and from area public schools. We will transport your child to and/or from their school at regular arrival/dismissal times.

If your child is to be transported to school, they must arrive at the center by 7:00am (times may change due to public school calendar times) in order to be present for roll call. If your child is dismissed at any time other than the regular school dismissal time, you must make alternate arrangements for their transportation. Parents need to furnish a school calendar and any school schedule changes to Childrens Lighthouse.

Arrival Time: \_\_\_\_\_ Dismissal Time: \_\_\_\_\_

**\*\*\* If your child arrives at the center after 7:00am, you will be responsible for transporting them to school. By signing this letter, you agree to call Childrens Lighthouse no later than NOON to notify the office that your child will not be at his/her school for pick-up. Failure to do so will result in a \$10 fine for each occurrence.**

CLLC bus drivers are not permitted to leave the bus or children to look for a child who has not met the bus as expected. Any delay, results in a late pick-up for the next school on our route. Please discuss this with your child(ren) and inform them the importance of arriving at the bus promptly after dismissal.
